

SAQAAN & PARTNERS

Advocates & Legal Consultants

**Legal Excellence Rooted in Egypt,
Serving the Future**

Our History

Saqaan & Partners is a distinguished Egyptian law firm known for its high-level litigation capabilities, corporate advisory strength, and reliable strategic counsel. Since its establishment, the firm has built a reputation for delivering precise, trusted, and business-oriented legal solutions for individuals, companies, and diverse clients.

Rooted in a clear vision to uphold integrity, professionalism, and quality, the firm was established five to six years ago, supported by the extensive experience of its partners and lawyers. From the outset, Saqaan & Partners adopted advanced internal policies and strict professional standards, building a culture founded on accuracy, commitment, and deep legal analysis.

Over the years, the firm has expanded its practice to cover key legal fields—including litigation, corporate matters, intellectual property, and mergers and acquisitions—providing tailored strategies that address the unique needs of each client. This approach has strengthened the firm's position as a trusted legal advisor capable of managing complex and high-stakes matters with confidence and clarity.

With strong Egyptian roots and a progressive outlook, Saqaan & Partners continues to advance steadily, committed to delivering exceptional legal services and fostering long-term professional relationships built on trust, excellence, and consistent value.

We Represent You—Not Experiment on You

Sakaan & Partners represents clients before all levels of courts—from primary courts up to the Court of Cassation—as well as arbitral tribunals and quasi-judicial committees. Our practice is built on solid experience handling complex disputes with strategic insight, meticulous preparation, and professional advocacy across civil, commercial, administrative, and criminal matters.

Our core focus areas include:

Commercial Disputes: Contract breaches, service and supply disputes, enforcement actions, and partner conflicts.

Corporate Litigation: Shareholder disputes, board resolutions, manager dismissal, liability issues, and liquidation.

Administrative Law: Challenges to administrative decisions, licensing matters, tax and fee disputes, tenders, and procurement.

Execution & Enforcement: Enforcement of judgments, debt recovery, asset seizures, and reclaiming entitlements.

Commercial Arbitration: Representation before local and international arbitration centers, drafting arbitration clauses and pleadings.

Civil & Financial Cases: Compensation claims, complex civil disputes, debt collection, and property-related matters.

Business-Related Criminal Representation: Fraud, breach of trust, financial crimes, misuse of authority, and criminal cases connected to commercial and economic activities.

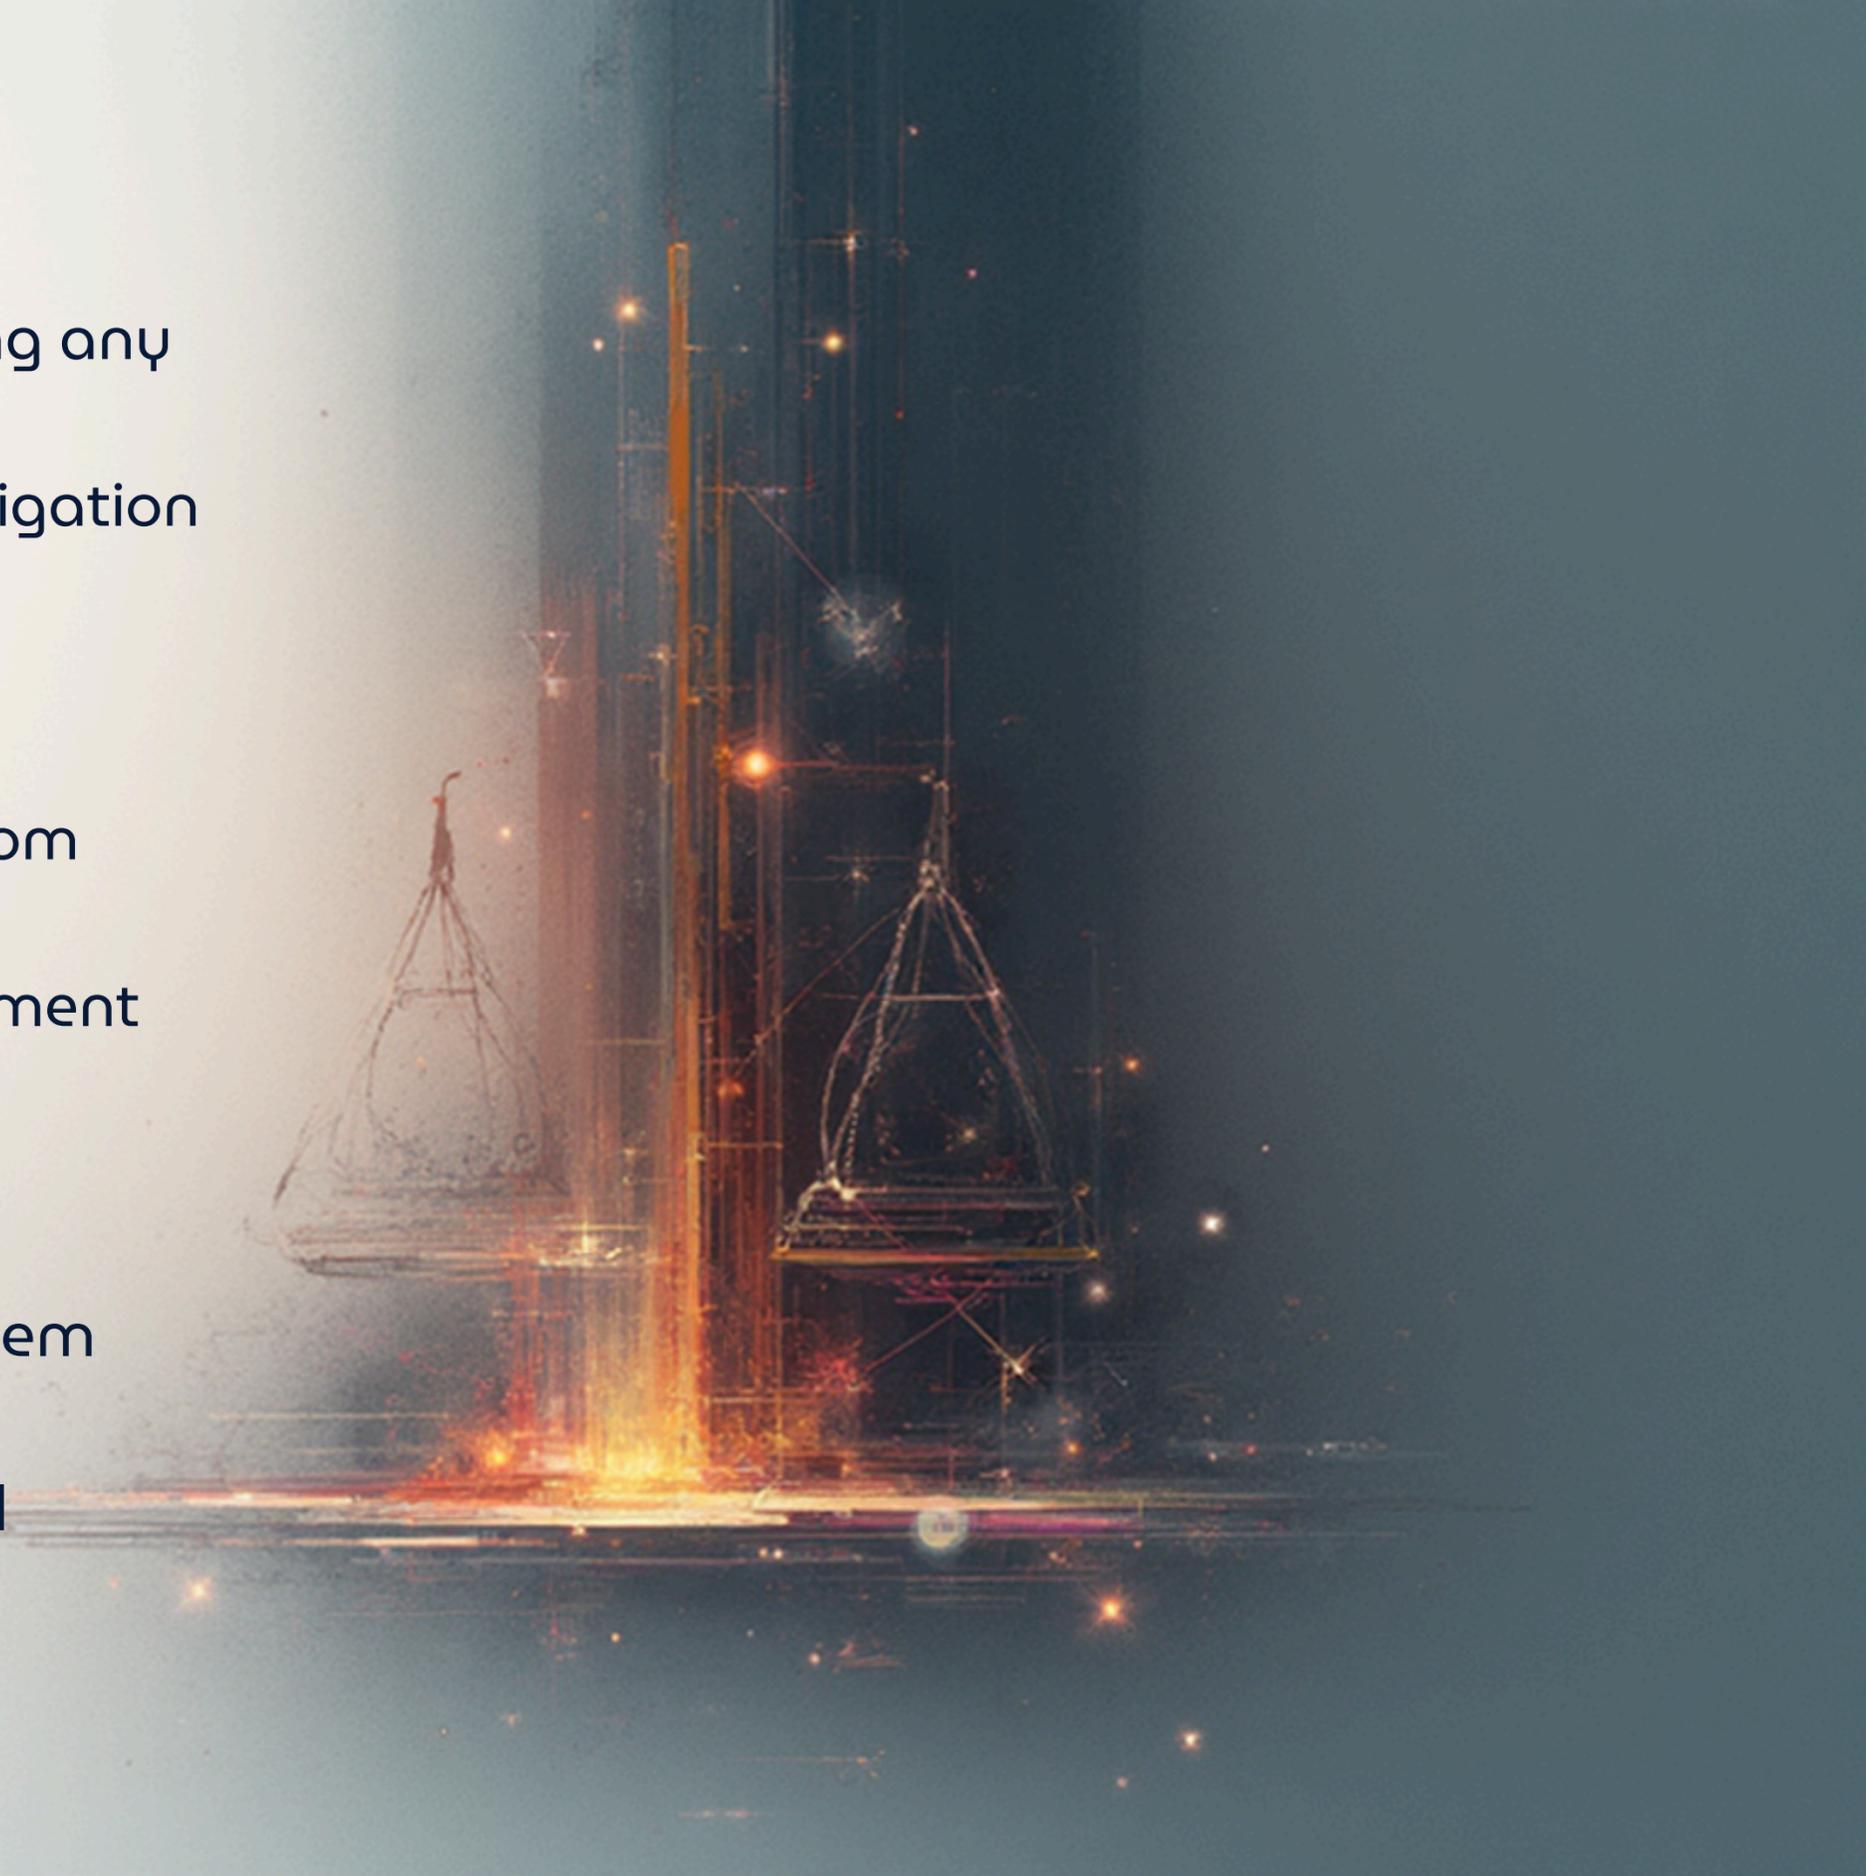

Our litigation methodology includes:

- Conducting deep legal analysis before filing any case.
- Assessing risks and designing strategic litigation plans.
- Preparing well-structured legal briefs and memoranda.
- Delivering effective, well-prepared courtroom advocacy.
- Ensuring continuous follow-up on enforcement and judicial execution.

Litigation is not war—it is strategy.

We do not rush into lawsuits; we choose them wisely. And when we litigate, we pursue outcomes with a deliberate balance of legal strength and strategic foresight.

Corporate, Investment & Intellectual Property Law

In today's complex business environment, establishing a company is just the beginning. Protecting it, structuring it strategically, and guiding its investments wisely are essential to ensuring long-term success. That is why Saqaan & Partners places Corporate, Investment, and Intellectual Property Law at the core of its legal approach.

Corporate & Investment Law

We offer comprehensive corporate and investment legal services for companies and investors alike, including:

- **Company Formation & Restructuring:** Across all legal types, from LLCs to joint stock companies and holding structures.
- **Investor & Partnership Structuring:** Drafting shareholders' agreements, partner frameworks, and equity structures.
- **Investment Agreements:** Including venture capital, direct investment, convertible notes, and joint ventures.
- **Advising Local & Foreign Investors:** On market entry, licensing, negotiations with authorities, and regulatory frameworks.
- **Mergers & Acquisitions:** From legal due diligence to deal structuring, drafting, negotiation, and execution.
- **Regulatory & Compliance Advisory:** Covering investment laws, investor incentives, antitrust laws, and risk mitigation.

Intellectual Property

As intangible assets surpass physical ones in value, we ensure robust legal protection for trademarks, software, creative works, innovations, and confidential business knowledge.

Our IP services include:

- Registration of trademarks, patents, copyrights.
- Litigation and enforcement in cases of infringement or counterfeiting.
- Drafting licensing, assignment, and commercialization agreements.
- IP advisory to protect trade secrets and prevent knowledge leakage.

Mergers & Acquisitions (M&A)

Saqan & Partners provides comprehensive and sophisticated legal services in the field of mergers and acquisitions, drawing on its solid expertise in corporate, commercial, and investment law. We support our clients throughout all stages of the transaction, from initial legal assessment and structuring, through negotiations and drafting, to closing and post-transaction integration.

Our services include legal due diligence, transaction structuring, drafting and reviewing sale and purchase agreements and shareholders' agreements, obtaining regulatory approvals, and representing clients before the relevant authorities. We are committed to safeguarding our clients' legal and commercial interests, mitigating risks, and maximizing transaction value.

We deliver tailored, strategic solutions for domestic, regional, and cross-border M&A transactions, enabling our clients to pursue their growth objectives with confidence and legal security.

Corporate Governance & Compliance

Sapaan & Partners provides specialized legal services in corporate governance and regulatory compliance, enabling our clients to operate in accordance with best legal and professional standards and in full alignment with applicable laws and regulations at the local and regional levels.

We assist companies and institutions in establishing and enhancing effective governance frameworks, including the development of internal bylaws, compliance policies, codes of conduct, risk management systems, and clear delineation of the powers and responsibilities of boards of directors and executive management. We also support the strengthening of internal control and transparency mechanisms to safeguard the rights of shareholders and stakeholders.

Our services further include compliance audits, preventive legal advisory, regulatory liaison, and the management of compliance risks, contributing to institutional sustainability and minimizing exposure to legal and regulatory liabilities.

Banking & Finance

Saqan & Partners provides specialized legal services in the banking and finance sector, supported by extensive experience in structuring financial transactions and representing financial institutions, investors, and corporates in both conventional and Islamic financing.

We advise our clients throughout all stages of financing transactions, from legal and credit structuring, through drafting and reviewing loan agreements, security documents, and syndicated finance arrangements, to closing and post-closing implementation. We also provide advisory services on banking compliance, regulatory requirements, and the management of legal risks associated with banking operations.

Our expertise covers corporate finance, project finance, real estate finance, acquisition finance, and debt restructuring, with a strong focus on safeguarding our clients' interests and achieving sound, secure, and sustainable financial transactions.
