Firm Profile

2026 - 2027

**Legal Excellence
Rooted in Egypt,
Serving the Future**

Our History

Saqaan & Partners is an Egyptian law firm built on a clear commitment to integrity, professionalism, and quality. Since its establishment, the firm has been supported by the extensive experience of its partners and lawyers, with a focus on delivering precise, trusted, and business-oriented legal solutions to individuals, companies, and diverse clients.

From the outset, Saqaan & Partners adopted advanced internal policies and strict professional standards, establishing a professional culture grounded in accuracy, commitment, and rigorous legal analysis.

Over the years, the firm has expanded its practice across key areas of law, including litigation, corporate matters, intellectual property, and mergers and acquisitions. This growth has been guided by a commitment to developing tailored legal strategies that respond to the distinct needs and objectives of each client.

Today, Saqaan & Partners continues to build on its strong Egyptian roots and progressive outlook, strengthening its capabilities and advancing its practice with a focus on complex and high-stakes matters. The firm remains committed to delivering exceptional legal services and building long-term professional relationships founded on trust, excellence, and consistent value.

Litigation & Dispute Resolution

Sapaan & Partners represents clients before courts at all levels, from first-instance courts through the Court of Cassation, as well as arbitral tribunals and quasi-judicial committees. Our practice is grounded in substantial experience in complex disputes, combining strategic legal analysis, meticulous preparation, and effective advocacy across civil, commercial, administrative, and criminal matters.

Our Core Focus Areas Include:

Commercial Disputes: Contract breaches, service and supply disputes, enforcement actions, and partner disputes.

Corporate Litigation: Shareholder disputes, challenges to board resolutions, disputes concerning managers' dismissal and liability, and liquidation matters.

Administrative Law: Challenges to administrative decisions, licensing matters, tax and fee disputes, tenders, and procurement.

Execution & Enforcement: Enforcement of judgments, debt recovery, asset seizure, and recovery of legal entitlements.

Commercial Arbitration: Representation before local and international arbitral tribunals and arbitration centers, including the drafting of arbitration clauses and pleadings.

Civil & Financial Disputes: Compensation claims, complex civil disputes, debt recovery, and property-related disputes.

Business-Related Criminal Representation: Representation in cases involving fraud, breach of trust, financial crimes, abuse of authority, and other criminal matters arising from commercial and economic activities.

Our Litigation Methodology Includes:

- Conducting thorough legal analysis before initiating proceedings.
- Assessing risks and developing strategic litigation plans.
- Preparing well-structured pleadings, legal briefs, and memoranda.
- Providing effective and well-prepared courtroom advocacy.
- Maintaining continuous follow-up throughout enforcement and judicial execution.

Litigation is not war—it is strategy.

We do not rush into litigation; we choose our cases carefully. When we litigate, we pursue the best possible outcome through a deliberate balance of legal strength and strategic foresight.

Corporate, Investment & Intellectual Property Law

In today's complex business environment, establishing a company is only the beginning. Effective legal structuring, protection of business interests, and sound investment planning are essential to sustainable growth. At Saqaan & Partners, Corporate, Investment, and Intellectual Property Law form a core part of our practice, enabling us to support businesses and investors across key stages of their development and transactions.

Corporate & Investment Law

We offer comprehensive corporate and investment legal services to companies and investors, including:

- **Company Formation & Restructuring:** Advising on all legal forms, from limited liability companies and joint stock companies to holding structures.
- **Investor & Partnership Structuring:** Drafting shareholders' agreements, partnership arrangements, and equity structures.
- **Investment Agreements:** Advising on venture capital investments, direct investments, convertible notes, and joint ventures.
- **Local & Foreign Investor Advisory:** Advising on market entry, licensing, negotiations with authorities, and applicable regulatory frameworks.
- **Mergers & Acquisitions:** Providing legal support throughout the transaction lifecycle, from legal due diligence and deal structuring to drafting, negotiation, and execution.
- **Regulatory & Compliance Advisory:** Advising on investment laws, investor incentives, antitrust requirements, and legal risk mitigation.

Intellectual Property

Intellectual property assets are increasingly central to the value and competitiveness of modern businesses. Sapaan & Partners provides legal protection for trademarks, software, creative works, innovations, and confidential business information.

Our IP Services Include:

- **Trademark, Patent & Copyright Registration:** Assisting clients with the registration and protection of intellectual property rights.
- **IP Litigation & Enforcement:** Representing clients in infringement and counterfeiting disputes and enforcement proceedings.
- **Licensing, Assignment & Commercialization:** Drafting and reviewing agreements for the licensing, assignment, and commercialization of intellectual property rights.
- **Trade Secrets & Confidential Information:** Advising on the protection of trade secrets and confidential business information and measures to prevent unauthorized disclosure.

Mergers & Acquisitions (M&A)

Sapaan & Partners provides comprehensive legal services in mergers and acquisitions, drawing on its experience in corporate, commercial, and investment law. We support our clients throughout the transaction lifecycle, from initial legal assessment and structuring through negotiations, drafting, closing, and post-transaction integration.

Our services include legal due diligence, transaction structuring, drafting and reviewing sale and purchase agreements and shareholders' agreements, obtaining regulatory approvals, and representing clients before the relevant authorities. We focus on protecting our clients' legal and commercial interests, mitigating risks, and preserving transaction value.

We provide tailored legal solutions for domestic, regional, and cross-border M&A transactions, supporting our clients in pursuing their growth objectives with confidence and legal certainty.

Corporate Governance & Compliance

Sapaan & Partners provides specialized legal services in corporate governance and regulatory compliance, enabling our clients to operate in accordance with applicable laws and regulations and recognized legal and professional standards at the local and regional levels.

We assist companies and institutions in establishing and enhancing effective governance frameworks, including the development of internal bylaws, compliance policies, codes of conduct, risk management systems, and clear delineation of the powers and responsibilities of boards of directors and executive management. We also support the strengthening of internal controls and transparency mechanisms to safeguard the rights of shareholders and stakeholders.

Our services further include compliance audits, preventive legal advisory, regulatory liaison, and compliance risk management, contributing to institutional sustainability and reducing exposure to legal and regulatory liabilities.

Banking & Finance

Saqan & Partners provides specialized legal services in the banking and finance sector, drawing on experience in structuring financial transactions and representing financial institutions, investors, and corporates in both conventional and Islamic financing.

We advise clients throughout the financing lifecycle, from legal and credit structuring through the drafting and review of loan agreements, security documents, and syndicated finance arrangements to closing and post-closing implementation. We also provide legal advice on banking compliance, regulatory requirements, and legal risks associated with banking operations.

Our experience covers corporate finance, project finance, real estate finance, acquisition finance, and debt restructuring, with a focus on protecting our clients' interests and supporting well-structured and legally sound financial transactions.

Corporate Social Responsibility (CSR)

Our Commitment to Community and Legal Empowerment

At Sapaan & Partners, we believe that the role of a law firm extends beyond legal representation. Our commitment to the community is reflected in our efforts to promote legal awareness, expand access to legal support, and contribute to the development of young legal professionals.

Our Areas of Commitment

Legal Awareness & Public Education

We contribute to initiatives that promote greater understanding of legal rights, obligations, and access to justice, recognizing the importance of legal awareness in strengthening individuals and businesses.

Pro Bono Legal Services

We provide pro bono legal assistance in selected matters, reflecting our commitment to supporting access to legal services and making professional legal assistance available where it is needed.

Training & Youth Development

We support the development of young legal professionals through training, internships, and educational opportunities that help bridge the gap between legal education and professional practice.

Our Commitment

We seek to contribute to the legal community not only through the quality of our professional work, but also by sharing knowledge, supporting access to legal assistance, and investing in the development of future legal professionals.

Our approach is grounded in the belief that a strong legal profession contributes to a more informed, capable, and just society.

Why Choose Sapaan & Partners

1. Rigorous Legal Analysis

We begin with a thorough understanding of the facts and applicable legal framework, enabling us to develop clear and practical strategies for each matter.

2. Integrated Legal Capabilities

Our experience across litigation, corporate, intellectual property, and mergers & acquisitions allows us to address matters from multiple legal perspectives and coordinate solutions across practice areas.

3. Structured & Consistent Legal Practice

We follow defined internal policies and professional standards designed to maintain consistency, accuracy, and quality across our legal work.

4. Strategic Approach to Complex Matters

We approach complex and sensitive matters through careful preparation, risk assessment, and deliberate legal strategy, with particular attention to the legal and commercial implications involved.

5. Professional Integrity & Confidentiality

We maintain strict standards of professional integrity and confidentiality in handling client information, legal documents, and sensitive matters.

6. Client-Centered Legal Solutions

We develop our legal strategies around the specific facts, circumstances, and objectives of each client, rather than applying standardized solutions.
